PARENT PERMISSION FOR STUDENT ATHLETE PARTICIPATION

The school's athletic program is an integral part of the curriculum, and school personnel have devoted great effort to assure that participating students are protected in every way possible. However, participation in athletics includes risk of injury which may range in severity from minor to long-term catastrophic, including paralysis and death.

Participants have the responsibility to help reduce the chance of injury. Participants must obey all safety rules and regulations, report all physical problems to the coach and athletic trainer, follow a proper conditioning program, and inspect personal protective equipment daily. Proper execution of skill techniques must be followed for every sport, and especially in contact sports, the head is not ever to be used as a "ram," and the head should not be used as an initial contact point.

PLEASE INITIAL EACH OF THE FOLLOWING STATEMENTS TO SHOW THAT THE STATEMENT HAS BEEN READ, UNDERSTOOD, AND APPROVED.

_____ I/We consent to have my son/ward represent his school in approved athletic activities **EXCEPT** those activities excluded by the examining doctor and the activities I list here: _____

_____ I/We grant permission for my son/ward to accompany any school team of which he is a member to out-of-town trips. I/We realize that when transportation is provided by the school, it will be in school approved vehicles. I/We realize that parents/guardians wishing to have their son/ward with them when returning from an event must make written arrangements with the coach.

_____ In the event of an emergency requiring medical attention, I expect every reasonable attempt to be made to contact me. In case I cannot be reached, I grant permission for any immediate treatment deemed necessary by the attending physician and transfer of my son to a qualified medical facility. This authorization does not cover major surgery unless formally decreed prior to surgery by two licensed physicians or dentists.

_____ I/We recognize and acknowledge that there are risks in my son's/ward's presence and participation in the school sponsored program. I agree to indemnify, hold harmless, waive and relinquish all claims I may have against Brother Martin High School including any negligence claims on their part and its officers, agents, employees, representatives or volunteers arising out of or in connection with the transportation to and/or from the event or any activity my son/ward participates in while attending the school sponsored program.

_____ I acknowledge and accept that there are risks of physical injury involved in athletic participation which may result in permanent paralysis, mental disability, and death.

_____By my signature, I acknowledge these facts and understand that my son/ward is representing Brother Martin High School while participating in this activity and will, therefore, conduct himself in a manner consistent with the philosophy and objectives of Brother Martin High School Behavior Policy and Training Room policies at all times.
