

Prevention of Abuse and Harassment—Student Education Program
Student Response/Evaluation of Lesson

Students,

To help your teachers and administrators evaluate and improve the lesson on prevention of abuse and harassment that you have just completed, please take some time to respond honestly and with some detail to the following questions.

You do not have to sign your name to this form but if you would like to speak confidentially with a guidance counselor or teacher about any of this, please sign your name at the end.

Thank you for your participation in this lesson. We hope it has been informative and helpful.

1. What surprised you about the instruction and discussions about abuse and harassment?

2. What else should be done to educate young people about these issues?

3. Do you know of someone experiencing problems with abuse or harassment?

Circle “Yes” or “No.”

If “Yes,” please give the name of the person about whom you are concerned.

4. Would you like your teacher or guidance counselor to speak privately and confidentially with you about these issues?

Circle “Yes” or “No”

If you respond “Yes,” please sign your name. _____
