

BROTHER NEAL GOLDEN, S.C. TECHNOLOGY ENDOWMENT ESTABLISHED BY JULIE AND MICHAEL FLICK '66 SA

The **Brother Neal Golden, S.C. Technology Endowment** honoring Brother Neal Golden, S.C. is established by Julie and Mike Flick in the St. Aloysius Century Foundation to support Brother Martin High School.

Brother Neal, a 1957 Cor Jesu High School graduate, has been a Brother of the Sacred Heart since 1959. He is an active founder of Brother Martin High School as a member of the faculty the first year of the school. He has been in service to the students at Brother Martin as a teacher and moderator since its inception.

He has been the moderator for the Academic Games for 44 years and also has served in the past as moderator of the Prep Quiz Bowl Team, National Honor Society, Mu Alpha Theta and the Computer Programming Team. In 1966 Brother Neal started New Orleans'

first accredited computer-data processing class for high school students at St. Aloysius High School, where he was a teacher.

While at Brother Martin, he wrote and published the first high school-level computer textbook in 1975. The book, "Computer Programming in BASIC Language" would go on to span three editions. He has also published two other computer programming textbooks.

The purpose of the endowment is to provide financial support for Brother Martin in an area very important to the school, maintaining and enhancing our technology on campus and in the classroom.

Contributions to the **Brother Neal Golden, S.C. Technology Endowment** to support Brother Martin can be made to the St. Aloysius Century Foundation.
