Dear Recruiting Manager:

Thank you for reviewing my resume for a position with your company. The experiences I acquired working with full-service, highly recognized brands make me an ideal candidate for opportunities that may exist with your company. Combined with my abilities in analytics, finance, and accounting, my experience in the staffing industry fortified my skills in key Human Resources areas. These skills allow me the capability to provide strategic input and develop action plans in many areas of need. Additionally, I have multi-unit experience in managing hotels and hospitals from large property settings to small, leading teams of managers and supervisors of hundreds of employees. Furthermore, I have led sales teams of several hundred associates, and my ability to engage anyone and everyone from diverse backgrounds is a proven strength, doing so with high impact on VIP's, employees, and patrons in daily situations. Finally, my experience in non-profit helped me gain over five years of knowledge working with East TN Children's Hospital fundraiser, "Dancing with the Knoxville Stars," assisting to raise over \$500K.

Please contact me at (985) 201-4042 or 1standgoalmanagement@gmail.com at your convenience to set up an interview. I look forward to putting my focused energy to work for your company.

Sincerely,
Al Henriquez, MBA CRME
