

2018 CELEBRATION OF THE CREST  
PRESENTS

*cheers*

TO FIFTY YEARS

BROTHER  MARTIN

Dear Friend of Brother Martin High School,

We are celebrating two special milestones in 2018 – the 50th anniversary of Brother Martin High School and the 150th anniversary of the Brothers of the Sacred Heart in New Orleans. The Celebration of the Crest this year serves as a perfect way to say “cheers” to the school we know and love so well and to honor the traditions and history of St. Aloysius High School and Cor Jesu High School, both of which created the foundations for Brother Martin High School.

Tonight we know you will have a wonderful time and do so all in support of our school's mission “to form young men . . . to meet the needs of a changing world.” Dedicated alumni, parents, faculty and staff, and benefactors of our school have created the event so that you can truly celebrate with us these milestones in our history. The theme, “Cheers to Fifty Years,” calls for celebration, both for all the past glories of our school and its community and for the future still to come. Here's to our next 50 and 150 years!

What you contribute tonight by your good will, your camaraderie, and your support of our auction boards and live auction will directly impact the lives of all Crusaders who walk the halls on Elysian Fields. Proceeds from our event will be used for upgrades to the Robert Conlin Gymnasium, a building that holds a special place in the history of our school, not only because of its hosting many athletic and spirit events, such as basketball games, wrestling meets, and pep rallies, but also because it is the space where our school community gathers for our most important celebration – that of the Eucharist in our school-wide liturgies.

I leave you with these words: Thank you! Thank you for your dedication over many years to the sanctuary that is Brother Martin High School and for your willingness to share so generously in the future that lies before us. Because of you, we grow and excel in educating young men for life.

Sincerely,

Greg Randp '77  
President

# Celebration of the Crest

## Silent Auction Rules

1. Bidders must be pre-register online with a credit card in order to bid.
2. Bidders will use their name to place their bid with a Bidding Assistant or on their personal electronic device. Bidder's first name and last initial will be used to view their winning items on the electronic auction leader boards.
3. Brother Martin High School has attempted to describe and catalog all items correctly, but all items are offered "as is, where is."
4. Prices shown are estimates of the retail value, provided by the donor. A minimum bid price is assigned to each item. Bids must equal or exceed minimum bids in order to be valid.
5. Bids must be submitted via the texted link or via a Bidding Assistant (at each auction table). Bid increments must be in whole dollars and must exceed the posted bid by the bid increment for that particular item. Bidders may place a maximum bid for an item which allows the auction website to bid on their behalf up to the maximum amount stated.
6. Bidders will be notified via text when they have been outbid and can place another bid directly from their personal electronic device.
7. Current bids will be listed on the displayed electronic leader boards.
8. In the event of a tied high bid when the board closes, the bidder who placed their bid first will be the winner. If the tie is between a maximum bid and a one time bid, the maximum bid will win.
9. Winning bidders can click on "My Items" after a board closes to see if they have won. A self-checkout link will be sent via text when all the boards have closed. Winning bidders will also be displayed on the electronic auction leader boards.
10. If you are the high bidder you will receive a self-checkout link after all boards have closed. You may pay through that link and present your payment confirmation screen to "Gift Pick-Up" to claim your items.
11. ALL SALES ARE FINAL; no exchange or refund of items unless specified.
12. Please pick up your winning items before you leave tonight. Items not picked up from Brother Martin High School by Friday, December 14, 2018 at 4:00 p.m. will be come property of Brother Martin High School and will be used for future fundraising events.

# Cheers
