Thank you for supporting our band program!

To our parents, faculty, students and graduates: it is difficult to express the gratitude I experience working with Crusader Band. Your extraordinary effort, diligence, service and sacrifice is amazing.

It is a privilege to witness your children evolve into such impressive young men. Their effort, conduct, determination and intelligence makes me incredibly proud, gratified and excited to see what the future has in store for them.

I would also like to extend a special thanks to Dominick and Cecile Caronna. When I attended Brother Martin, the band program not only had success, it also had consistency because our band directors and mentors Arthur Hardy and Marty Hurley. Mr. Carrona offers that same expertise and stability. We are blessed to have him as our steward and fearless leader!
