Celebration of the Crest

Silent Auction Rules

1. Bidders must pre-register online with a credit card in order to bid.
2. Bidders will use their name to place their bid on their personal electronic device. Bidder's first name and last initial will be used to view their winning items on the electronic auction leader boards.
3. Brother Martin High School has attempted to describe and catalog all items correctly, but all items are offered "as is, where is."
4. Prices shown are estimates of the retail value, provided by the donor. A minimum bid price is assigned to each item. Bids must equal or exceed minimum bids in order to be valid.
5. Bids must be submitted via the texted link or via a Bidding Assistant (at each auction table). Bid increments must be in whole dollars and must exceed the posted bid by the bid increment for that particular item. Bidders may place a maximum bid for an item which allows the auction website to bid on their behalf up to the maximum amount stated.
6. Bidders will be notified via text when they have been outbid and can place another bid directly from their personal electronic device.
7. Current bids will be listed on the displayed electronic leader boards.
8. In the event of a tied high bid when the board closes, the bidder who placed their bid first will be the winner. If the tie is between a maximum bid and a one time bid, the maximum bid will win.
9. Winning bidders will be displayed on the electronic auction leader boards.
10. If you are the high bidder, you will receive a self-checkout link after all boards have closed. You may pay through that link and present your payment confirmation screen to "Gift Pick-Up" to claim your items.
11. ALL SALES ARE FINAL; no exchange or refund of items unless specified.
12. Please pick up your winning items before you leave tonight. Items not picked up from Brother Martin High School by Friday, October 11, 2019 at 4:00 p.m. will be come property of Brother Martin High School and will be used for future fundraising events.
