National Honor Society Brother Martin High School Contract 2021-2022

I, as a member of the Brother Martin High School National Honor Society, understand my continuous representation of the Brothers of the Sacred Heart and their traditions set forth at Brother Martin High School.

I realize that I am challenged to aid all those in academic need; yet I am humbled by the honor.

I understand that my talents are gifts to be used for the betterment of the student body.

In accepting the leadership challenge, I agree to adhere to all policies set forth by the school as articulated in the *Brother Martin Student Handbook* and Constitution of the National Honor Society.

I further realize that any violation of said policies will result in disciplinary action determined by the moderators and faculty council of the National Honor Society. All cases are handled separately. I may appeal in writing with the ruling of the council.

Such disciplinary actions include, but are not limited to, probation or dismissal from the National Honor Society.

Brother Martin National Honor Society members exemplify the characteristics of Service, Character, and Leadership.

As a member, I pride myself on service to school and others. I take pride in the institution and what it represents.

I freely take on the role of leader to ensure that all members and prospective members of the Brother Martin High School community are presented with the best experience and image that the school has to offer.

Consequently, I will:

- Attend all meetings during the duration of the school year. If I am absent for a meeting, I will record my absence with Mrs. Stroud before the next meeting. Acceptance of the excuse will be at the discretion of the moderators. I understand missing three or more meetings will result in disciplinary action.
