

BROTHER MARTIN

February 10, 2022

Dear Parents,

I hope that you and your family are doing well during this challenging time. We are blessed that you have entrusted your son to us for his formation and education. To help you and your family prepare for the upcoming school year, please find our 2022-2023 tuition schedule for all students. The schedule indicates an increase of 3.6% (\$35 per month) for a total tuition, registration or senior fees and activity fee of \$12,060.00.

We want Brother Martin to be a place of comfort and sanctuary for your son and you, not an additional worry in an already stressful time. Thanks to our careful management of operating expenses and the generosity of benefactors, we are able to moderate the increase that traditionally comes with yearly rising costs.

We continue to provide alternative payment schedules for your convenience, including the Electronic Funds Transfer (EFT) payment option. Please note that in addition to annual, semi-annual, and quarterly options, a monthly payment plan is available to you. **Those families selecting the quarterly or monthly plan option will be required to use Electronic Funds Transfer (EFT). We are not able to accept tuition payments on a quarterly or monthly basis other than by this method. Please note that the quarterly and monthly plan options charges begin June 1st.**

Please print and complete the linked form indicating your payment option selection and return it by **March 7, 2022**. Please note: Our computer software system allows for plan election information to be entered once per school year per student. **Once a plan option has been selected, we will be unable to make changes until the following year.**

Also linked to this letter is the Authorization Form to be completed and returned by **March 7, 2022**, if you would like to take advantage of automatic electronic funds transfer (EFT) from your checking account to pay tuition, registration, or senior fees and activity fee. **All quarterly and monthly payments including registration and senior fees and activity fee will be made by Electronic Funds Transfer.** The EFT payment will be deducted from your account on the first business day of the month. **[Even if you are currently using EFT for tuition payments, please complete the Authorization Form for the 2022-2023 school year regardless of which payment plan you choose.] (Do not forget to include a voided check unless you are using the same account you used for the 2021-2022 school year for EFT payments).**

As you know, we are one of the few Catholic schools in the New Orleans area not using bank-financed tuition. This means that we are financing your tuition interest free. For most families, this translates into savings of approximately \$1,000 per year. We have been able to maintain this policy because of your efforts at timely tuition payments and because of your support of the school's fundraising initiatives. EFT for all quarterly and monthly tuition payments allows us to continue to offer you this service.

I thank you for your commitment to Catholic education, specifically Brother Martin High School, and I realize that tuition cost requires substantial sacrifice. Our commitment to you is to provide the education and environment where your son can grow to his full potential and graduate knowing that God truly loves him.

Sincerely yours in Christ,

Greg Rando
President
