

## PROOF OF ENROLLMENT FORMS

- Proof of enrollment forms are required by the Office of Motor Vehicles for any high school student. If your child is getting their TIP (Temporary Instructional Permit) card, permit, or driver's license please make sure that you have a Proof of Enrollment Form before your appointment at the DMV.
- Proof of Enrollment Forms must have an original signature and cannot be e-mailed.
- Please have your son go to the Counseling Office to obtain this form anytime between August - May. If you are in need of a Proof of Enrollment Form during June or July, please contact the front desk by calling the main line. The student will need to provide their name, address, and date of birth. The form is good for 90 days before it expires.
- Please contact Mrs. Christy Roux in the Counseling Office should you have any questions. You may call the main line, 504-283-1561 and ask for the Counseling Office or e-mail her @ [croux@brothermartin.com](mailto:croux@brothermartin.com).
