I/we, the parent(s) or guardian(s) of the above student, agree to accept all of the rules, procedures, and policies set forth in the **Brother Martin High School Student Handbook** that can be found on the school's website. I/we acknowledge and accept that in unexpected or unusual situations, the Principal has the authority to use his discretion in interpreting policies and making binding decisions. Further, I/we accept the responsibility to inform our son of the rules, procedures and policies described in the **Brother Martin High School Student Handbook** and to hold him accountable for faithfully following them.

In consideration and cause of the privilege granted to my/our son by Brother Martin High School to use the school's electronic resources and Internet connection, I/we agree to release, indemnify, defend and hold harmless Brother Martin High School, the Roman Catholic Church of the Archdiocese of New Orleans, their officers, employees and staff from any and all liability or damages, including but not limited to damages arising from tortuous or wrongful activities and for any and all attorney's fees that may arise from my/our son's use of the school's electronic resources or Internet connection. I/we further agree to indemnify and defend Brother Martin High School, its administrators, employees, and agents in all financial and legal liabilities that may result from my/our son's use of the Internet connection at Brother Martin High School for anything other than educational purposes.

I/we acknowledge that Brother Martin High School has demonstrated professional and conscientious desire to create a safe and healthy campus whereby learning is enhanced. Therefore, I/we agree and acknowledge that testing for illegal substances or the abuse of legal substances is a valid and worthy protective activity to institute in view of its Christian educational mission. Consequently, I/we knowingly and willingly agree that, as a condition of continued enrollment at Brother Martin High School, my/our son shall be subject to tests screening for the presence of cocaine, opiates, phencyclidine (PCP), marijuana and methamphetamine or other legal or illegal substances, should there be some reasonable suspicion as determined by the Principal or Assistant Principal of his possession, use, or abuse of such substances. I/we further agree and accept that this screening shall be used solely to detect substances such as described above and for no other health purposes whatsoever. I/we fully understand and agree that a positive result of this screening for any or all of the above mentioned substances (legal or illegal) may subject my/our son to immediate dismissal from Brother Martin High School as described in the **Brother Martin High School Student Handbook**.

I/we freely and willingly choose an educational environment for our son that promotes the health and safety of every student, nurtures respectful interaction among students, and reinforces for students traditional Roman Catholic Christian religious values. In recognition of this, I/we acknowledge and accept that students' behavior, whether on campus or off campus, may fall within the province of Brother Martin High School. Further, I/we acknowledge and agree that consequences including suspension, probation, dismissal, or other may result from behavior that is deemed by the school administration to be in a serious violation of its behavior requirements described in the "Behavior Policy" section of the **Brother Martin High School Student Handbook**.

I/we have thoroughly read, understand, and agree to the content of this consent form and the rules, procedures and policies of the **Brother Martin High School Student Handbook**.
