Dear Parents,

I hope that you and your family are doing well. We are blessed that you have entrusted your son to us for his formation and education. To help you and your family prepare for the upcoming school year, please find our 2023-2024 tuition schedule for all students. Thanks to our careful management of operating expenses and the generosity of benefactors, we are able to moderate the increase that traditionally comes with yearly rising costs. The schedule indicates an increase of 3.7% (\$36.00 per month) for a total tuition, registration or senior fee and activity fee of \$12,488.00.

We continue to provide alternative payment schedules for your convenience by partnering with Blackbaud Tuition Management. Tuition Management enables you to access your account online, select a payment method, and set up automatic payments from your bank account or credit card. You will be able to review account history, transaction details, and print or receive monthly invoices. Also, you may edit your contact information, password, and payment method on your own time.

Beginning March 15th, you may go online to Blackbaud Tuition Management and make any changes you feel are necessary. Please complete those changes before May 15, 2023, for the 2023-2024 school year.

As you know, we are one of the few Catholic schools in the New Orleans area not using bank-financed tuition. This means that we are financing your tuition interest-free. We have been able to maintain this policy because of your efforts at timely tuition payments and because of your support of the school's fundraising initiatives.

I thank you for your commitment to Catholic education, specifically to Brother Martin High School, and I realize that tuition cost requires substantial sacrifice. We want Brother Martin to be a place of sanctuary for your son. Our commitment to you is to provide the education and environment where your son can grow to his full potential and graduate knowing that God truly loves him.

Sincerely yours in Christ,

Greg Rando  
President
